

Mukashi , Mukashi

Tech rider

Team: 4 performers, 1 technical director, 1 stage manager.

Stage manager calls the show (light and sound) on Qlab.

Black box theatre is preferred with 3 wings positioned Italian style on each side.

Black curtain and black dance floor unless back wall is black and floor surface is black and smooth.

Set is composed of 3 panels on wheels:

W =120cm/47" x H=232cm/91" x D=60 cm/24"

Grid height: 5m minimum.

Minimum stage dimensions:

- Performance area (without wings): W=9m/29' x D=6m, 20'

- With wings: W=12m/39' x D=6m/20'

Extra equipment needed: 4 speakers + 2 monitors

Personnel needed: 2 technicians for set up and strike.

Please contact us to discuss set-up and strike times, and any other question at info@corpus.ca
